Folks:

Dominion wants a test run for next week's hearing/argument in this Docket (2006-244-G). Randy, can you reach out to Dominion about a time for the test run?

I have asked the other parties (ORS and SCDCA) if they need a run through.

Thank you.

Dear Parties:

The virtual media plan survey link for the above referenced Docket, with a hearing date of February 2, 2021 is available

here: <https://www.surveymonkey.com/r/ZLM2T3D>.

Please use the link complete the information for you and your witnesses. We have simplified the system, but it is important to be accurate and provide the telephone number and email address that you (and any witness) will be using the during the course of the hearing in this matter. If something changes between now and the hearing, please advise.

This media plan information (survey) is due no later than 4:00 p.m. on Thursday, January 28, 2021.

If there are any preliminary issues, please advise as soon as possible.

A Virtual Test or Run-Through with the Commission IT personnel can be held; however, you need to advise immediately so that Randy Erskine can contact you to schedule a test.

Attorneys you are responsible for presenting your case and your witnesses, which includes reminding each witness to close their "video camera" on their computer screen once they are advised to step down from the witness stand by the Chairman during the hearing once their testimony/presentation and any questions are complete.

Attorneys are asked to identify themselves when speaking/objecting or seeking to interject comments (and cut on their video cameras) during the course of the virtual hearing proceeding so that the interjecting attorney is quickly called upon or seen by the Chairman, presiding officer, and Commissioners on screen. If you are called upon by the Chairman to address or comment, this is not necessary. It is necessary when you want to be called upon by the Chairman to comment, object, or otherwise which you would normally otherwise do in physical person by standing up or speaking up in the hearing room to get the attention of the Chairman or presiding officer.

Everyone must do their best not to talk over each other so that the Court Reporter can hear everyone one and accurately record the matter.

Thank you. Please let me know if there are any questions.

With kind regards, I am
